The St. Louis City Hall, located on 12th and Market Streets, facing Memorial Plaza, was constructed from 1890 to 1904 at a cost of \$1,650,000. The style of the architecture is an adaptation of French Romanesque.

It is one of the outstanding buildings of its kind that could hardly be duplicated today. The first mail ever carried by air left in a balloon from the City Hall Square, July 1, 1859.
